

**CONSTRUCTION CONTINUING ON WESTSIDE BLVD WIDENING PROJECT*****CORRECTED Update as of Monday, February 21, 2022*****CONTACT** for questions and more information:Patti Watson, 505-269-9691 cell; 505-245-3134 office; [pattiw@cwastrategic.com](mailto:pattiw@cwastrategic.com)**EVERYONE:** There was a miscommunication among the construction team last week. Please see corrected traffic impacts, **in red**, below. We apologize for any inconvenience.**ONGOING:** Lasting through about **Monday, Feb. 28 (or possibly sooner)**, traffic on Westside Blvd will shift to the north between Golf Course Rd and Grande Blvd as shown below.**The following traffic impacts are in place:**

- **Westbound traffic on Westside Blvd will be reduced to one lane between NM 528 and Golf Course Rd.**
- **Eastbound traffic on Westside Blvd will be reduced to one lane between Golf Course Rd and Grande Blvd. Eastbound traffic on Westside Blvd will shift to the south at Grande Blvd and have two lanes available.**
- **Traffic on La Sierrita Rd and 7 Bar Loop Rd is able to turn right and head eastbound on Westside Blvd, but is NOT able to turn left and head westbound on Westside Blvd. Motorists can access westbound Westside Blvd by taking 7-Bar Loop Rd south to Driftwood Ave, heading west on Driftwood Ave, then north on Golf Course Rd. Westbound motorists on Westside Blvd can access La Sierrita or 7-Bar Loop Rd via Golf Course Rd south to Driftwood Ave, then east on Driftwood Ave to 7-Bar Loop Rd.**

Regular work hours are **Mon.-Fri., 6:30 a.m.-5 p.m.**, although the contractor may work longer hours or on weekends if needed. ***All construction is weather permitting and subject to change without notice.***
