As of Tuesday, May 31, 2022, construction resumed on the Westside Blvd Widening Project, with crews expected to complete construction by late summer 2022.

The following traffic impacts are in place:

- The sidewalk on the south side of Westside is **CLOSED** from Golf Course Rd to La Sierrita Rd through at least early July. Local residents can use 7 Bar Loop to La Sierrita as a detour.
- Westbound traffic on Westside Blvd is reduced to one lane between NM 528 and Golf Course Rd.
- Eastbound traffic on Westside Blvd is reduced to one lane between Golf Course Rd and NM 528
- Eastbound traffic on Westside Blvd has only one dedicated left-turn lane and one combination thru/right-turn lane at NM 528
- Traffic on La Sierrita Rd and 7 Bar Loop Rd is able to turn right and head eastbound on Westside Blvd, but is **NOT** able to turn left and head westbound on Westside Blvd. Motorists can access westbound Westside Blvd by taking 7-Bar Loop Rd south to Driftwood Ave, heading west on Driftwood Ave, then north on Golf Course Rd. Westbound motorists on Westside Blvd can access La Sierrita or 7 Bar Loop Rd via Golf Course Rd south to Driftwood Ave, then east on Driftwood Ave to 7 Bar Loop Rd.
